INQUIRY INTO STRIKE IS STARTED THIS AFTERNOON

Continued From First Page.

reporter of The News this morning, isked anyone or overgone that has information to import to the committee to: offer it. "There are no limitations to this in

estigation, but we will conduct this hearing as fast as-we can," he said, "We will try to avoid expense to the covernment and hope we will not be empelled to subspense witnesses However, we are given that authority i have usked attorneys for both sides of the controversy to assist us and they have agreed to do all in their ower to expedite the bearing. Refore the committee left Washington, on atorney for the Calumet & Heela Minng Company informed us that their works at Columnt and Beston were ut

our disposed and that everything was "The petition for an investigation, was presented by the strikers, and naturally the burden rests upon them. They must present the case first. who appear in the nature of expondents, the operators, will apsear next. If there is occasion of resuttal both will have the same oppor-

Unity/" Challeman Taylor and the hearing sould be hardly termed a court

"It is an investigation," he said, "We will not adhere to the strict rules of evidence but will six out the wheat from the chaff. We will weed out what is immaterial and irrelevant. We are not sitting as a jury but as a body to make an original investigation for our country. Both sides will be extended the same courtesy, and the attorneys for both sides have agreed to do all in their power to assist us. We exsect no difficulty except, probably, when each side has produced its evidence and the rebuttal begins. There ire no lairs. We will remain here as long as there is anything to get, or as long as anyone has anything to pro-

"This is an involuntary proposition. We are all busy, and in being here we to go, are neglecting our official duties. But there is no time limit on the hearing, nor is there any limited expense. We invite everyone who less any informaion to come before us if it takes all pring and sammer. We don't want put off, although we expect everyone to come in and speak out. They must of ther speak or everlasting hold their

Without First Hand Knowledge The chairman has notified Counsel

O. N. Hilton of the Federation that the strikers, as they started the controverse, will be the first heard. Referring to the effort of the committee o obtain information on the situation. Congressman Taylor asked for a report of the secretary of labor's investigation and also that of Gov Ferris. He has been unable to obtain either, and therefore the committee is without first hand knowledge of the strike, see any struggle between the deputies

No Limit to Scope. According to Chairman Taylor of the that body will take into compleration inside. all phases of the strike situation, While the resolution authorizing the inquir gives the committee instructions to in- liberty to investigate the acts and afvestigate seven subjects, the committee fairs of the Western Federation of

tion comes within its scope. Asked whether the committee foli at the testimony brought out,
